HENNECKE S ART STUDIES (CLASSIC REPRINT) (HARDBACK)

Forgotten Books, 2018. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Hennecke s Art Studies We know we are right in our general principles. The best expert opinion coincides with the increasing conviction of the community, that the traditional curriculum of the schools needs to be essentially modified, through the introduction of studies and exercises which shall train eye and hand which shall cultivate the perceptive faculties, so long and grievously neglected; which shall create a respect for manual skill and dexterity, and for taste in design which shall afford scope and play for the creative and constructive instinct. Just what these studies and exercises shall be, in character and order of succession, is to be determined by experiment rather than by forecast. The question is one which requires to be worked out, rather than to be thought out The most that is likely to be done in the immediate present will not be more than is needed to accumulate the experience, which shall determine the direction which our efforts in this interest shall ultimately take. For one, I believe that the introduction of the new studies and exercises which we are advocating will not prove a mere addition to the work of the school or college. I believe it will also profoundly modify the instruction given within the traditional line. Boys and young men who have learned to observe for themselves, to acquire knowledge at first hand, to give effect to their purposes, and a form to their ideas who have been accustomed to impose their will upon matter, and to make it take shape to suit their intellectual conceptions; who know how to project, to plan, to execute will have little patience with much that makes up the traditional...
