Createspace Independent Publishing Platform, United States, 2014. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. Gas up the car and prepare to hit the road for a haunted tour of Kentucky. Whether you are exploring the dark, dank cave where an insane asylum stacked the bodies of the dead or wandering the antebellum mansion where the owner still greets guests more than one-hundred-and-sixty-years later, you are in for a spine-chilling good time. Author Terri Grimes offers up first-hand accounts of her encounters with spirits of the Bluegrass state, backed up with amazing photographs of apparitions, ghost lights, orbs and other anomalies. From the family pets taking one last ride, to the ghostly driver sitting behind the wheel at the insane asylum, to the antebellum mansion's dearly departed hostess taking a peek in the equipment case; the pictorial evidence will astound even the skeptical. If you've ever heard your name called in the night, felt a chill travel the length of your spine as you pass a graveyard or seen a glimpse of a loved one years after they've passed, then you too may have traveled the path of a Conduit. Walk the path again with Haunted Kentucky, one tale at a time.
