Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: French . Brand New Book ***** Print on Demand *****. Comme il y a un materialisme economique et historique, au sens de Marx, de meme il y a ce qu'on pourrait appeler un materialisme ethique, pour lequel la matiere exterieure de la morale est tout, sous la forme des faits sociaux donnees: moeurs, croyances, coutumes, institutions, lois, sanctions legales, etc. Ce systeme n'est autre chose, dans le fond, que la suppression meme de la science morale au profit de la sociologie theorique et appliquee. Une telle suppression est-elle possible ? La morale doit-elle ceder progressivement la place a la physique sociale des moeurs ? C'est ce que soutiennent, dans de recents travaux, MM. Durkheim, Levy-Bruhl et Albert Bayet en France; c'est aussi ce qu'a soutenu M. Simmel, apres Nietzsche, en Allemagne.
