Faithful Life Publishers, United States, 2012. Paperback. Book Condition: New. 224 x 147 mm. Language: English . Brand New Book ***** Print on Demand *****.Hitibidal s brief, but thorough, treatment of the parables is refreshing. We feel as if we were sitting at the feet of Jesus hearing the words for the first time. One of the profound insights made by the author is that Israel is the Treasure of Great Price-hidden in the field until the Treasurer is redeemed in the latter day, redeemed and displayed to the world as the Treasurer she has always been in the sight of her Saviour. This is a book whose time has come. Often powerful statements are made in a short treatises. Such is the case with this brief volume. This book expresses the soul of what needs to be said in fundamental circles as we approach the coming of the Lord. Carl E. Baugh, Creation Evidence Museum The immense information of these parables is a wonderful wealth of knowledge. His explanation is almost panoramic as it is being read. I have heard in person Dr. Hiltibidal preach on the Parables of Mathew Thirteen and I recommend without reservation this in-depth study of God s Word. Dr. Randy Taylor.
