This kind of publication is every little thing and taught me to looking ahead of time and a lot more. It is packed with wisdom and knowledge Once you begin to read the book, it is extremely difficult to leave it before concluding.

Harper Teen, 2017. Paperback. Condition: New. Reprint. Language: English . Brand New Book. Fans of Sarah Dessen will devour Robin Benway's story of romance, coming-of-age emotion, and heartache, now in paperback. Emmy just wants to be in charge of her own life. She wants to stay out late, surf her favorite beach--go anywhere without her parents' relentless worrying. But Emmy's parents can't seem to let her grow up--not since the day Oliver disappeared. Oliver needs a moment to figure out his heart. He'd thought, all these years, that his dad was the good guy. He never knew that it was his father who kidnapped him and kept him on the run. Discovering this, and finding himself returned to his old hometown, has his heart racing and his thoughts swirling. Emmy and Oliver were going to be best friends forever, or maybe even more, before their futures were ripped apart. In Emmy's soul, despite the space and time between them, their connection has never been severed. But is their story still written in the stars? Or are their hearts like the pieces of two different puzzles--impossible to fit together?.
