The Educational Significance of Sixteenth Century Arithmetic from the Point of View of the Present Time (Classic Reprint) (Paperback)

By Lambert Lincoln Jackson

Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. The Educational Significance of Sixteenth Century Arithmetic: From the Point of View of the Present Time is a history text written by Dr. Lambert Lincoln Jackson. The work is an examination of the early teaching of arithmetic in the United States. Jackson s book is about the impact of sixteenth century teaching methods and how they influenced later understandings and approaches to the pedagogy of arithmetic. This is an academic text, presented as a dissertation by the author. The work is divided into two parts, part one presenting the results of Jackson s research into historical teaching methods of arithmetic, and part two using these findings to examine the impact of sixteenth century teaching methods on the teaching of arithmetic in the late 1800s and early 1900s. As with any academic text, a detailed bibliography is presented to accompany the work. The Educationa Significance of Sixteenth Century Arithmetic is a thoroughly researched examination of its topic. Jackson acknowledges in the preface that little work had been done on the history of sixteenth century arithmetic teaching methods, and so this dissertation thus serves a...
