Crazy in Colorado: Book 10 of This Old Whore Series (Paperback)

By Portia Hen

Createspace Independent Publishing Platform, United States, 2015. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.WAS IT THE WEED OR DID HE WANT TO KILL HER? It was quite a shock again, when I saw him in the parking lot tonight. He stared straight at me and I think he recognized me because he smiled and winked. Okay, I can t be sure if he winked, because you know he does have only one eye. The one eyed man who nearly killed me when I refused to have sex with him after I lost a bet at strip poker. This was the man who removed his glass eyeball and furiously flung it across the room, where it hit a wall and shattered into a thousand pieces as I sat there numb with fear. Today, he moved into the apartment downstairs. Has he followed me all the way from Colorado?.

Reviews

Excellent e-book and useful one. It is written in straightforward phrases rather than confusing. I am just very happy to explain how here is the finest publication i have got read through in my very own lifestyle and might be the greatest book for possibly.

-- **Viva Schuster**

Extensive manual! Its this type of great read through. This can be for all who state there was not a worth reading. It is extremely difficult to leave it before concluding, once you begin to read the book.
