Bay Tree Publishing, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book. When a local priest molests a young boy, parents conspire, mobsters appear, an angel from Providence descends, and--evoking Montaup's brutal colonial past--the unsaid gets said. And done. In the Rhode Island backwater town of Sowams at the base of Mount Hope--or Montaup--a childhood traffic accident has rendered Jate Tavino, skull-plated, growth-stunted, and rattled-up good. As an adolescent Jate can't match the mental prowess of his non-identical twin brother Ross, or the physical stamina of his street-wise pal, Pruney Mendoza. Both Pruney and Ross lament, Jate don't get things. But Jate gets far more than is plate-in-the-head obvious. And Jate writes it all down: colorfully distorted regional history, hotly debated literature, ethnic religious rituals, tales of the dead, and hush-hush cross-your-heart secrets of the living. Years of cross-country roving have provided J Dominic with the perspective expressed by Jate's dad, You never get such an up close view as when you're far away.
