*A brand new eBook with a new standpoint. I have got read through and i also am confident that i will gonna read again once again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Canongate Books Ltd, United Kingdom, 2001. Paperback. Condition: New. Main. Language: English . Brand New Book. This is the first ever complete collection of all Buchan s shorter Scottish fiction. Set largely in his beloved Borders, these stories and novellas show the full range and depth of Buchan s writing. Featuring shepherds, poachers, gamekeepers and drovers, they are worlds away from the tales of aristocratic adventure with which he is so often associated. Shot through with characters and places he returned to in his full-length fiction, the Buchan that emerges from this collection is a very different and much more complex writer than he is often held to be.
