

Teamworking Skills for Social Workers (Paperback)

Filesize: 1.53 MB

Reviews

It is one of the best ebooks. I am quite late in starting to read this one, but better than never. I am delighted to inform you that here is the greatest ebook I have ever read through in my very own daily life and may be the best book for at any time.

OPEN UNIVERSITY PRESS, United Kingdom, 2013. Paperback. Condition: New. Language: English . Brand New Book. Social workers are members of teams and need to work in collaboration with colleagues and other professionals in order to practice effectively. This book explores the dynamics present when people work together, the roles individuals play and the skills necessary for effective teamworking in the context of social work practice. It provides a practical and applied overview of the different types of teams social workers encounter. The chapters include: Specific links to the new Professional Capabilities Framework for Social Workers Checklists to help the reader rate their capability and plan ways of developing skills for which they score low Reflection points Activities Case examples Topics covered include: What teamwork is and the kind of teams that involve social workers Characteristics of individuals who are part of a team and the formal and informal roles they play, including the role of leadership The importance of emotional intelligence and resilience and the concept of self-leadership and personal development How being part of a team relates to working in organisations Working in multidisciplinary teams Interagency collaboration and partnership Teamwork as a social work student Written for all social workers, regardless of their area of practice, this is a `must-have for students and practitioners involved in continuing professional development, supervision and training. At a time when social workers are being castigated for failures in team-working in recent child abuse enquiries, this book is extremely timely. I am not aware of a similar book which is able to convey the basic tenets of team-working as well as the necessary skills to do team working well. It is an important book which should be on the course lists of all early stage social workers. The book brings together social work theory...
