DO IT IN THE KITCHEN: BRIEFS - TALES - TIPS - TO SET YOUR COALS ON FIRE (PAPERBACK)

AUTHORHOUSE, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.From childhood a scrapbook of recipes was in the making and innocently referred to as my gourmet collection. Years rolled by until my pursuit for anything gourmet, resulted in my place of business, legally named The Gourmet Collection Inc. Now with pen to paper, let me break out my treasure chest collection; some garnered from family and friends around the globe and formulated to create Do It In The Kitchen with Briefs - Tales - Tips to Set Your Coals on Fire. In this preamble to Do It In The Kitchen, I dare say, foreplay means play with food before sex. Basic instincts tell us that food and people play together well. Friends and lovers everywhere go shopping or dining out together and at other times they choose to eat in. Even if it s a leisurely stroll or a picnic in the park, at playtime - food almost always becomes the opener to foreplay on everyone s agenda. At every romantic encounter, gathering or carousing with friends, ultimately there are those who find comfort in a glass of wine, some from dancing to Reggae music or rent a tile waltz, and surely, without denial, many find pleasure in food and lovemaking - yes, sex! I dare anyone deny those facts - the naked truth. Don t be bashful, partake of this delectable subject; try my equation, my theorem or formula; food play plus foreplay equal lovemaking, they go hand in hand! It s been said that a picture paints a thousand words, but in my book, a thousand words paint a fairly good picture - the rest is up to your fancy. Do It In The Kitchen.
