From Boom to Bust and Beyond: The Hidden Forces Driving Our Economy - What You Need to Know to Survive and Succeed

By Jerry Tuma

Realms Fiction, United States, 2010. Paperback. Book Condition: New. 226 x 150 mm. Language: English . Brand New Book. How a Generation Created--and Destroyed--the World's Prosperity The United States is coming off a period of growth and prosperity unlike anything the world has ever seen before. Like a surfer riding a gigantic fifty-foot wave, the economy has been carried by consumer spending from the largest demographic group in history. It was truly a phenomenal time. Unfortunately, that wave has hit the beach. As boomers pass their peak spending years, we will enter an unprecedented demographic winter, something as yet unknown to the modern world. But, despite the tough times, author Jerry Tuma believes that there are things we can do as individuals and as a nation to succeed and prosper. Armed with demographics statistics and thirty years of economic and financial planning expertise, he provides insight into topics such as. The myth of overpopulation and what that means for public policy issues, from abortion to immigration How demographics show us what will come next How small business could be the key to our recovery and what that means for you How you can thrive in the midst of the...
