By The Non Fiction Author

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. The history of Japan can be traced back to the 5th century, although that s only regarding recorded history. There s been plenty of archaeological evidence found suggesting that its history dates back even further, perhaps some 50,000 years. On this island nation, you ll find that the Japanese have spent quite a long time refining and defining their culture, making it strictly and uniquely their own. From the mesmerizing temples to the ancient and beautiful splendor a Kyoto geisha dancer, Japan definitely has something special going on, and is sure to impress even the most jaded of travelers. Whether you re into the quiet countryside or the more modern hustle and bustle of a metropolis like Tokyo, there s always something to do here to intrigue the mind, body, and spirit. One big draw of Japan is its cuisine. In fact, it s one of the most popular reasons travelers venture to this island nation. The Japanese pay great attention to detail in all that they do and food is no exception. The savory delights here are seemingly endless, and...
