Reviews

It is an amazing publication which i actually have at any time go through. It really is written in easy words and phrases rather than hard to understand. Its been developed in an extremely easy way which is merely following i finished reading through this pdf in which actually changed me, affect the way i think.

A HISTORY OF WESTERN THOUGHT

DOWNLOAD

Atlantic Books. Paperback. Book Condition: new. BRAND NEW, A History of Western Thought, Stephen Trombley, Stephen Trombley's A History of Western Thought, outlines the 2,500-year history of European ideas from the philosophers of Classical Antiquity to the thinkers of today. No major representative of any significant strand of Western thought escapes Trombley's attention: the Christian Scholastic theologians of the Middle Ages, the great philosophers of the Enlightenment, the German idealists from Kant to Hegel; the utilitarians Bentham and Mill; the transcendentalists Emerson and Thoreau; Kierkegaard and the existentialists; the analytic philosophers Russell, Moore, Whitehead and Wittgenstein; and - last but not least - the four shapers-in-chief of our modern world: Karl Marx, Charles Darwin, Sigmund Freud and Albert Einstein. A History of Western Thought is a masterly distillation of two-and-a-half millennia of intellectual history, and a readable and entertaining crash course in Western philosophy.
