The Red Book: A History of the Neuffer Line (1419-1735)

By Douglas V Nufer

Createspace, United States, 2015. Paperback. Book Condition: New. 235 x 190 mm. Language: English . Brand New Book ***** Print on Demand *****.In 1735, a man by the name of Martin Ludwig Neuffer (ca. 1693-1763) published the compilation of perhaps years of research. His work was, as he put it, a genealogy of the ancestors, covering 300 years in Wurtemberg of the renowned Neuffer family. Martin traced the Neuffer line back as far as his research would take him, which was to approximately 1419. He identified what he considered to be the ancestral father of the Neuffer family. He also noted distinct divisions in the Neuffer line and the fathers of both of those divisions. He put together three ancestral tables or charts which started with the oldest known relative and showed his descendants and their descendants up to his present time. He published his work in 1735. It consisted of his three charts and footnotes with interesting tidbits about the people, as well as additional relatives, such as relations for the in-laws. In his brief, concise way, he wrote of butchers, shop keepers, pastors, and professors. He also wrote of children orphaned by the plague, and kind men who...
