Atlanta s Little Five Points, the city s first Neighborhood Commercial District, stands out as one of the most distinctive shopping districts in the Southeast. There have been quite a few ups and downs in the area s history, but ultimately the dedicated, passionate individuals who made LSP what it is today handled them with perseverance and foresight, creating unique, independently owned stores that draw the most eclectic mix of people found anywhere in Atlanta. The cultural melting pot created by these stores is what makes Little Five Points such a popular destination for both locals and tourists. Join author Robert Hartle Jr. as he tells the story of the revitalization of Little Five Points, including firsthand accounts from longtime LSP business owners who were actually there and who helped to save the area from the many threats to its survival.
