Physicians Guide to Avoiding Lawsuits (Paperback)

By Jose Luis Hinojosa

Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Physicians Guide to Avoiding Lawsuits is a book with lofty goals. It strives to enrich the doctor-patient relationship, to improve patient outcomes, to quickly and efficiently diagnose illnesses so that the treatment plans can be started sooner, and to bring healthcare costs down while bringing patient satisfaction up. Wow, if this book can do all that while simultaneously curtailing physicians litigation risks, then you must get this book now! No, this is not a legal textbook nor was it written by an attorney. Instead, this book introduces an innovative method that came about from 30+ years of clinical practice in the fields of Family Medicine, Emergency Medicine, Sports Medicine, Pain Management, and Occupational Medicine - thrown in there were 17+ years of solo Obstetrical practice and nearly one-thousand deliveries. In a world where 85 of physicians who practice Obstetrics get sued, Dr. Hinojosa has been one of the fortunate few who s never been sued for an obstetrical complication. He was, however, sued once. and he was totally unprepared for what followed. This book will help healthcare providers avoid lawsuits with a...
