Ballantine Books, United States, 1999. Paperback. Condition: New. Reissue. Language: English . Brand New Book. Working for Vogue, Amy spends her days dressing waif models in London s latest apparel while fending off insults from the Gucci-garbed staff. Hardly the glamorous job she hoped it would be. But that won t stop her from fantasizing about the jet-set life she knows she s destined for--or the prince who s bound to redeem her from a less than glowing record in romance. However, beneath her dreamy exterior, Amy has a sure streak of common sense. So when the impossible happens--and her path crosses that of London s hottest film star--she swoons with longing, expecting nothing in return. But Orlando Rock has other ideas. For Amy is just the kind of girl he s after--smart and witty, with a penchant for quoting from the classics, different from the daft supermodels and vain leading ladies he s dated before. Or is she? For with fame, fortune, and true love just around the corner, Amy s head is spinning, her jet-fueled imagination poised for takeoff. Is her love for Orlando stronger than her lust for the limelight--or is she merely fated to be the paparazzi s latest prey . . .? Hip and hilarious, this enchanting, sizzlingly sexy tale of a winsome twenty-something caught between romance and reality will have you rooting her on through each outrageous mishap and daring plunge toward love. . . .
