Rita Parkinson, United States, 2015. Paperback. Condition: New. Rita Parkinson, Dolores Sk-Malloni (illustrator). Language: English . Brand New Book ***** Print on Demand *****. This essential book is an inspiring, practical guide for botanical artists to develop the all important skills of composition. It looks beyond the essential technical skills to focus on this often neglected aspect. The book translates the essential visual skills that professional illustrators follow into the specific area of botanical subjects and the unique problems they involve. The guide will help you to understand and master the process of composition and learn how to create for yourself a sequence of stages that can elevate your work to a new level. It will help you to fully comprehend the underlying principles that all great works of art are structured around and translate them into an easy to understand working method for you to internalize and incorporate into your practice. After reading this book you will know: if negative space is really so important? Do I always need a focal point? What exactly is the Golden section and is it relevant today? Where does visual balance come into all of this? and much more.
