Mysterious dreams draw costume designer Isabella Silviera to Angel s Bay, the California coastal town where angels occasionally dance above the waves. Bestselling author Barbara Freethy enchants again in this emotional and compelling tale of family secrets, abiding friendships, and heart-touching romance. Isabella s drive to Angel s Bay would have ended in tragedy when her car slid off a cliff if she hadn t been rescued by Nick Hartley. As he helps her to safety, she realizes he is the man who has haunted her dreams. Nick, however, is committed to reconnecting with his estranged teenage daughter, refusing to respond to his powerful attraction to Isabella. And Isabella s police chief brother has his hands full with a missing mother, an abandoned baby, and an unknown father. What is Isabella s role in the mysteries--both past and present-- that swirl around the town? When she starts helping at the Hartley family theater, all the pieces begin to link together. Loves found and lost, heartbreak and happiness, courage and betrayal are all part of the patchwork quilt of the community--and of life. Isabella s gift is seeing the patterns. . . .
