# How to Start a Security Company: Securing Your Community (Paperback)

By Albert Aaron

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Start a living by starting your very own security company. Be your own boss! This book contains proven steps and strategies on how to approach the difficult decision to change careers and start your own security company. Whenever you make a decision to start your own business, it is always done with a little trepidation. You are unsure what is required, what you have to do, and whether it will result in a positive outcome. You have a passion to protect and serve. You may have had a career as law enforcement professional, or a military member, and you know you want to continue your service to your community by starting a private security firm. Maybe you are just starting your career as a working adult, and security is something that drives you, gives you a purpose in life. The time is now for you to explore starting your own security company. You do not know how to go about accomplishing your goals. As a police officer, you worked for the municipality, and they handled all of your administrative...
