Very useful to any or all group of men and women. It is written in basic words instead of difficult to understand. I realized this ebook from my i and dad recommended this publication to understand.

Where did you get those eyes so blue Out of the sky as I came through. Christmas week a good many years ago. Not an old-fashioned Christmas this year, for there was no snow or ice; the sky was clear and the air pure, but yet without the sharp, bracing clearness and purity that Master Jack Frost brings when he comes to see us in one of his nice, bright, sunny humours. For he has humours as well as other people not only is he fickle in the extreme, but even black sometimes, and he is then, I can assure you, a most disagreeable visitor. But this Christmas time he had taken it into his head not to come at all, and the world looked rather reproachful and disconcerted. The poor, bare December world it misses its snow garment, so graciously hiding all imperfections revealed by the absence of green grass and fluttering leaves; it misses, too, its winter jewels of icicles and hoar frost. Poor old world! What a great many Decembers you have jogged through; no wonder you begin to feel that you need a little dressing up and adorning, like a beauty no longer as young as she has been. This item ships from La Vergne, TN. Paperback.
