Chicken Coops For Beginners: (FREE Bonus Included) Find Answers On Any Questions You Have Planning Your Perfect Chicken Coops This is an easy to follow beginners guide based on creative ideas to help you to plan and build the perfect chicken coop to suit your needs. Raising chickens is becoming a very popular trend right across the country. People are becoming more concerned about the incorporation of steroids and other chemicals that are being put in our foods. People are seeking more natural food sources, that are not only a healthier choice, but are also more cost effective. In this book, you are going to be introduced to the world of raising chickens with emphasis on creating your own chicken coops that you can house your chickens in. You will be walked through some of the myths that are attached to raising chickens as well as gaining information and tools that you will be able to use to help you in creating your own chicken coops. By the time, you have completed this book you will be armed with knowledge that will help to guide you towards the raising of your own chickens.
