AUTHORHOUSE, United States, 2012. Hardback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Something Else is a sequel to Daniel J. Kornstein's classic 1994 study of Shakespeare and the law *Kill All the Lawyers?* The author found he had more - something else - to say on the subject. Written in the same crisp, lucid, and witty style as his previous critically acclaimed and highly influential book on Shakespeare, Kornstein's new book continues his illuminating, original, and entertaining explorations of the Bard and the law. In *Something Else* Kornstein probes new Shakespeare territory with insight and eloquence, but without academic. He analyzes from a fresh perspective, and devastatingly picks apart, Mark Twain's evidence that Shakespeare could not have written the plays because he was not a lawyer. Kornstein submits for the reader's verdict moot court briefs based on *Hamlet* and *The Merchant of Venice*. A timely chapter on *Coriolanus* shows how that rarely performed play explains much about democracy and elections in America. The author's discussion of *Henry V* and the law of war will rivet everyone's attention with its relevance to recent history and current events. Other chapters look at why Shakespeare never mentions *Magna Carta* in *King John*, comment on the many crooked judges in Shakespeare's plays, untangles *The Comedy of Errors*, tries to solve the mystery of *Richard III* and the princes in the Tower. In a whimsical final chapter, the author imagines a conversation.
