Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Kaki Harper s best friend, Jordy Steed, needs a favor. His girlfriend dumped him, and he desperately wants her back. Kaki has no idea what Jordy sees in the ex, but something about the woman has her playboy, love em and leave em friend tied up in knots. Leave it to Jordy to concoct a crazy scheme to make his ex jealous: fake a true love affair and stage a wedding to someone else. Leave it to Kaki to agree to such a hare-brained proposal. Why not help a friend out? If Kaki agrees, she s doing something nice for Jordy (so he says), she gets a gorgeous diamond ring (which Jordy states in writing that she ll keep), a dream wedding (even if the marriage has an expiration date), a week to kick back on the beach with a fruity drink and no worries (minus the honeymoon antics), and a nice house to share with her husband (who s more like a roommate). They re in it until Jordy gets his ex s attention or until Kaki decides she s had enough of living with him and she s ready to tap out. Wedding day shenanigans ensue, best friends live as husband and wife (sort of), and they do get to share some steamy kisses (after all, people are watching them and they have parts to play)! What can possibly go wrong?.
