*Thorough manual for pdf lovers. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.*

## ADIRONDACK

Xlibris Corporation. Hardcover. Condition: New. 348 pages. Dimensions: 9.1in. x 6.3in. x 1.2in. Adirondack is an adventure suspense tale of murder and survival in the mountains of upstate New York. Most of the action occurs near the High Peaks region of the Adirondacks- a land beautiful and terrifying, a wild place that can bring out the best and the worst in people; darkly intimidating and dangerous at times, yet strangely electrifying and inspiring. It is a primeval land that asks nothing of you but will take all that you have, and in return will give you hope and love of life and strength of spirit. A ten year old lad and a young woman flee for their lives, unprepared, as it were, for survival in the wilderness and with little more than their wits to guide them. All the while, they are being pursued by a psychotic killer and his partner, both of whom are determined to kill them because they know too much about their criminal plans. The boys father and the young ladys former boyfriend, a cop from Allentown, Pennsylvania, join the Kentville Police on a dangerous search in the northern woods. The story weaves together an unlikely collection of characters into a spellbinding chase through the mountains, with episodes of high risk rock-climbing, angry and deadly confrontations, and horrifying deaths for some of the searchers. The novel begins with the early years of two hoodlum brothers in 1940s Brooklyn, and eventually has them forming a dangerous alliance with a former cellmate, a vicious and cold-blooded killer with no compunctions for killing. The time then shifts to the late 1950s when the old alliance reforms. The plot involves a diamond smuggling deal which was to be consummated in a rendezvous at an upstate New York lake. The plan falls...
