Water Relationships in Foods: Advances in the 1980s and Trends for the 1990s (Hardback)

By -

Springer Science+Business Media, United States, 1991. Hardback. Book Condition: New. 1991 ed.. 259 x 185 mm. Language: English . Brand New Book ***** Print on Demand *****.This book was developed from the papers presented at a symposium on Water Relationships in Foods, which was held from April 10-14, 1989 at the 197th National Meeting of the American Chemical Society in Dallas, Texas, under the auspices of the Agricultural and Food Chemistry Division of ACS. The editors of this book organized the symposium to bring together an esteemed group of internationally respected experts, currently active in the field of water relationships in foods, to discuss recent advances in the 1980s and future trends for the 1990s. It was the hope of all these contributors that this ACS symposium would become a memorable keystone above the foundation underlying the field of water in foods. This strong foundation has been constructed in large part from earlier technical conferences and books such as the four milestone International Symposia on the Properties of Water (ISOPOW I-IV), the recent IFT Basic Symposium on Water Activity and Penang meeting on Food Preservation by Moisture Control, as well as the key fundamental contributions from the...
