Without doubt, this is actually the greatest work by any writer. It is actually written in simple terms instead of confusing. I found out this ebook from my i and dad recommended this pdf to understand.

Excerpt from Two Months in the Highlands, Orcadia, and Skye IT was J uly - the July of 1859, and the fierce mid summer sun, which had been for weeks parchin g, broil irig, and blistering all London, had set when, while I was sitting with doors and windows wide Open, a familiar friend entered the room. As usual at this time of the year, my thoughts had been running on a holiday ramble, and visions of unvisited continental cities and lands were before me, when my friend gave a new current to my ideas, by announcing that the purpose of his visit was to ask me to join a shooting and fishing party in the Highlands.
