Arcadia Publishing Library Editions, 2005. Hardback. Condition: New. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. On Anderson Valley's rolling hills, oaks wander out to meet ancient redwood groves. Formed as a string of stage stops on the road from Cloverdale to the coast, each valley town has its own unique story. Boonville began as The Corners at the junction of two roads. When local ladies banished liquor, Boonville's Anytime Saloon had to move out of town. Legend maintains that Yorkville's early settlers Mr. Hiatt and Mr. York played cards to see who would name the town, and the loser got to be postmaster. The rhythmic cough of the old crosscut saw felling trees, the iron clink of sheep shears in spring, and the foreign sound of Boontling--a once secret language--drifted over valley hop fields and sheep ranches, orchards and homes. In recent years, this resplendent valley has attracted wineries and backlanders --those seeking refuge from urban life.
