Brand New Book ***** Print on Demand *****.Growing up in a small Midwestern town in Indiana during the aftermath of the 1929 Wallstreet market crash, pre-World War II, and facing teenage in a fatherless home during the war years, the author has described her childhood in an era of the past. As a young girl, Ms. Battistini describes how family tragedies affected family life and the contrasts of living through sadness in a child s world. Facing a world of two parent, stay-at-home-mother families, as the youngest child after the death of her beloved father, she takes us through the frightened world of an original latchkey kid. Social mores at the time was one that pushed mental and emotional problems of children into a social dumpster. .meaning they were not recognized, nor dealt with. The old Victorian adage of children should be seen and not heard, had permeated into the early twentieth century . She literally walks us through the childhood contacts that left their marks on her social development. The reader cannot help but make comparisons to children of single parent homes of today,...
