## ONE EXCELLENT PLACE, DESIGN AND CREATION

Dog Ear Publishing, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*. One Excellent Place, Design And Creation. is a book encouraging a new and better way to exist on this planet. Our current idea of what is a safe, modern, and inspiring living space is seriously flawed. Our structures are neither safe, nor truly modern, nor enlightened. They represent old and flawed ideas being repeated over and over. We must build structures that protect us from the world our sciences and inquisitive nature create, all the worlds we can imagine, and our very selves. We must build arcs of the future. Something like ships that protect us from all kinds of seas, not just floods. We must build strong, ultramodern and noble structures and cities, arcs of the future, to enrich our souls and help ensure human progress and survival. - Hawk We all live where available. Not by real choice, but by birth and then wealth, and then whatever opportunity and choices possible. The structures around us have come to exist mostly due to a repetition of old ideas, created without imagination, and lacking a dedication to excellence. We should try harder. We can build better and wiser structures and cities, but only if we have the wisdom and the will to do so. We must use the wisdom we know, not just gaze at it. -Hawk Hawk has been a scientist, inventor, and private investigator, for most of his life. Being curious and interested in almost everything, he has been creating ideas for a better structure or city since he was eight years old. When certain discoveries were made, he found even less reason why extraordinary structures and better methods for living and survival...
