Createspace Independent Publishing Platform, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****.Although you may not get this message from many quarters, it is your Destiny to become Great in some aspects of your life, if not to become Great as a person who has completed their human journey along The Way towards their Divine Maker. By becoming Great, we change the universe in two ways, one involving fields of energy and another in the form of fields of pure information (something that does not involve energy directly). The energy fields are temporary and drop of rapidly with distance, but the fields of pure information are eternal, everywhere in the universe and available to everyone, maybe even to everything as well. It is this information field that makes you so important to the universe. If you do not become as Great as you could be, the universe will not be as great as it could be. Since there is only ever going to be one you (although you will have many bodies over time), it is important that you do choose to become Great as soon as you understand this reality, within this marvelous universe of ours. Others may tell you that trying to become Great is a selfish thing to do; the Truth is that it is really the opposite - your becoming truly Great is a very self-less choice. Not everything that those who are too fearful, or lazy, to go for greatness, believe will be true. In fact it will almost never be even close to True in a greater sense. You will also have to come to grips with the reality that not many of those around you, or who try to command influence over you, will be supportive of...
