Leather Crafts (Paperback)

By Valerie Schafer Franklin, Geoffrey Franklin

ALPHA BOOKS, 2016. Paperback. Condition: New. Language: English . Brand New Book. A big part of the artisanal/DIY movement is about authenticity and quality, with a return to simplicity, real values, genuine materials, and careful craftsmanship. Leather is one of those authentic materials, and while it has always been used for handbags and gloves, it's also enjoying a resurgence in the field of crafts. Simple objects elegantly made of leather are featured everywhere on maker blogs, photo-sharing sites, tutorials, and craft marketplaces. Leather is in the real world, too, in heavily curated hipster boutiques and well-edited coffee shops that sell sundries. Idiot's Guides(R) Leather Crafts offers 20 projects (illustrated with copious step-by-step photos), ranging from beginner to advanced, each one building on the skills that have been taught in prior projects. Unlike most existing books on leathercraft, which come with a heavy whiff of the 70s, this one has a sleek, modern aesthetic. The projects are functional, and the minimal, elegant embellishment and natural finishes will keep them timeless.

Reviews

This ebook is very gripping and intriguing. I have got read through and i also am confident that i will gonna read through yet again again down the road. Its been written in an extremely straightforward way and it is merely right after i finished reading this book through which actually altered me, alter the way i really believe.

-- **Noble Hagenes**

This ebook is indeed gripping and fascinating. it had been writtern really properly and helpful. I am very easily could possibly get a satisfaction of reading a published publication.
