Forgotten Books, 2017. Paperback. Condition: New. Language: English . Brand New Book ***** Print on Demand *****. Excerpt from Economics of Liberty Everybody nowadays is talking or writing about Society - society in the abstract general human society. Social service, the social uplift - all the phrases, half discredited in advance by the fluency with which they drop from our lips - what do these really mean? Wise professors of sociology treat of the housing of the poor, the problem of the unemployed, devise futile formulas, and pile up mountains of barren statistics, while no one in recent times has uttered even an outline of a theory as to the essential constitution of that Society of which Sociology, by its very name, proclaims itself the science. We habitually regard the headless, formless chaos of absurdities in human relations, in the midst of which we live, as Society, but we are without an intellectual norm to guide us: we have evolved as yet no concept with which to rationalize the observed facts. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
