In general, recruiting is a local process based on the global principles and standards, in view of the differences in business needs, organization, labour markets and legal requirements in each country. Recruiting should therefore reflect a company's position as an innovating force and as a leading company, which attracts candidates from a diverse background. Recruiting has to aligned with the corporate principles, be compatible with the organization's identity and position the company as the employer of choice offering outstanding opportunities to its employees. Successful recruiting contributes to meet the business needs by enabling a company to cover its requirements for qualified employees at all times. Results from benchmark studies have proven...
