Penguin Putnam Inc, United States, 2007. Paperback. Condition: New. Language: English . Brand New Book. A single mom gets a tasty bite of undead romance in the second novel in the Broken Heart series. Ever since a master vampire became possessed and bit a bunch of parents, the town of Broken Heart, Oklahoma, has catered to those of us who don t rise until sunset--even if that means PTA meetings at midnight. As for me, Eva LeRoy, town librarian and single mother to a teenage daughter, I m pretty much used to being vampified. You can t beat the great side effects: no crow s-feet or cellulite! But books still make my undead heart beat--and, strangely enough, so does Lorcan the Loner. My mama always told me everyone deserves a second chance. Still, it s one thing to deal with the usual undead hassles: rival vamps, rambunctious kids adjusting to night school, and my daughter s new boyfriend, who s a vampire hunter, for heaven s sake. It s quite another to fall for the vampire who killed you.
