### ***Reviews***

*It is in a single of the most popular ebook. It really is simplified but excitement in the fifty percent from the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Not illustrated. 1903 Excerpt: .much-maligned political economists--are the most truly benevolent people in the country. We had a meeting two or three months ago in Suffolk, had we not? There was a great gathering of landowners, noblemen, squires, and clergymen, met together-in a great county assembly in order to--what? To provide for the distresses of the peasantry of that county by a philanthropic plan. They proposed to raise a subscription; I believe they entered into something like one on the ground; they separated then, and what has been done since? How much has been effected for charity? I will venture here to say, that there is one Leaguer in Manchester who has given more money for the parks and pleasure-grounds connected with that town than all the landowners and gentry of the county of Suffolk have subscribed for the benefit of the peasantry. You will not misunderstand me: we do not come here to boast, but merely to hurl back these charges which are made against the great body of the more intelligent portion of the middle classes of this country, who happen to take scientific and enlightened views upon what ought to be the conduct of the Government of this land. They call us political economists and hardhearted utilitarians: I say the political economists are the most charitable people in this country; the Free-traders are the most liberal to the poor of this land. I call upon them, if they will have it that the people are to live...
