

Alzheimers, Depression and Dementia

By D. L. Bennett

Xulon Press. Hardcover. Book Condition: New. Hardcover. 180 pages. Dimensions: 9.0in. x 6.0in. x 0.6in. What would you do if your spouse, or anyone close to you, suddenly developed Alzheimers, Depression, and Dementia Can you imagine how this would change your life and the life of the one you love This book tells how one couple faced this situation. It started as a daily journal with the idea that it would be very private and a short-term journal till his wife came home where they could live a normal life again. She was in a hospital first and then in a nursing home. She was away from home for almost ten months. Her husband took her out from the nursing home as often as possible. Sometimes they were able to spend a few hours at their home. Then she was able to go home where she lived with her husband for a little over two and a half years. This was a total of almost three and a half years from the beginning of her illness till the date of her death. D L Bennett, who compiled these notes, says he just wrote it like they lived it. He was born on...

Reviews

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
