Brenna and Daniel discover their mutual interest in music and would like to perform with a band. Quickly realizing that their preference in music is not what the other band members can play, they are forced to seek out professional help to develop their skill. As Brenna is coached by a former well-known singer, who also manages to guide her into a spectacular beginning for her singing career, Daniel is instructed by a skilled, but crusty, old black jazz pianist who teaches him to become a versatile performer. Destiny and manipulative people separate the couple, propelling Daniel into a desperate search for the love of his life, who has suddenly disappeared.
