

Grimms' Fairy Tales

By Jacob Grimm, Wilhelm Grimm

HarperCollins Publishers. Paperback. Book Condition: new. BRAND NEW, Grimms' Fairy Tales, Jacob Grimm, Wilhelm Grimm, HarperCollins is proud to present its new range of best-loved, essential classics. 'The wolf thought to himself, "What a tender young creature! what a nice plump mouthful - she will be better to eat than the old woman. I must act craftily, so as to catch both."' Collected by the German Grimm brothers, these folk tales have captured the imaginations of children and adults alike since they were first published in 1812. The best-known stories such as The Golden Goose, Hansel and Gretel, The Frog Prince, and Snow-White and Rose-Red remain as popular today as when first told, although there is an underlying darkness and violence to the original stories that has softened over time.

Reviews

An extremely awesome publication with lucid and perfect explanations. It is actually written in basic phrases rather than confusing. You will like how the writer publishes this book.

I just started out reading this ebook. We have read and so I am certain that I am going to go back and study it again in the future. I found out this book from my dad and I encouraged this publication to find out.
