Struggling to deal with her brother's death and a past she refuses to confront, Stevie knows she has problems. The regimented and obtrusive nature of the clinic and its staff is torture to the deeply private, obstinate Stevie - and don't even get her started on the other 'inmates'. All she wants is to be left alone. But as Stevie is about to find out, life is full of surprises. And she will prove herself stronger than she knows - even when her past finally catches her up in the most shocking and brutal way possible.
