New American Library, United States, 2016. Paperback. Book Condition: New. 210 x 140 mm. Language: English . Brand New Book. From the author of *It Comes in Waves* and *The Guest House* comes a novel of three lives entangled in the secrets of the sea and the enduring bonds of love. As students with a shared passion for shipwrecks, Liv, Sam, and Whit formed a close bond searching for the mysterious Patriot, a schooner that disappeared off the Carolina Coast in 1812 with Aaron Burr's daughter Theodosia aboard. But as the elusive ship drew them together, love would bring them even closer and ultimately tear them apart. It's been seven years since Liv left Sam to be with Whit, and the once close-knit trio went their separate ways. Liv has given up her obsession with Theodosia Burr to focus on her career as a salvage diver and her passionate but troubled marriage to the reckless and hedonistic Whit. But when a diary of Theodosia's is discovered in a collector's estate, she is pulled back to the world of the Patriot, this time with startling new clues to what might have really happened. Diving back into the lost history of the Patriot could be just what Liv needs to find closure to a mystery that still haunts her. But when she and Whit reunite with Sam for one last salvage in North Carolina's Outer Banks, buried romantic tensions begin to resurface, and once again Liv must choose between two men with very different hearts.
