How to Reverse Diabetes Naturally (Paperback)

By Kimberly James

Createspace Independent Publishing Platform, United States, 2013. Paperback. Condition: New. Large Print. Language: English . Brand New Book ***** Print on Demand *****. What Will You Find in this Book? If diabetes has robbed you the joy of living a vibrant healthy life and you have given up to fate, I just need to inform you that you can have back your dream. Most people have believed that a diabetes diagnosis means the end of a full life; nothing could be further from the truth. While the life of a diabetic can be a long and stressful existence, all hope is not lost. The risk factors are things such as food and stressors that have assured that we don't escape even when we think that we should. If you have tried everything you know and nothing has changed, you are definitely not alone. You most likely feel like blaming your doctor, the drug company, the food manufacturer or even the media for leading you in the path that you have followed. The good news is that I am going to share secrets here that many of us have followed and have crossed the narrow bridge to become ex-diabetics.
