THE LIFE-CHANGING STORY OF MONEY, PROFIT POWER is the explosive view inside the secretive world of a modern day financial trader, called The Scarlet Pimpernel. It reveals rare and profound insights into the world of high finance, the 17 trillion dollar derivatives and commodity markets composed of a 24hr a day global casino - the greatest show on earth. It exposes the truth about the people who dominate it, how the negative impact affects each and every one of us - and how we can deal with it to our advantage. It follows the footsteps of The Pimpernel through locations of the rich and famous to the world s poverty stricken slums, magical temples and power vortexes, and to the corridors of the echelons of power to the Occupy Wall Street Movement and their fight for equality. It takes us into the deepest recesses of this trader s mind, through a journey of dispelling the God myth in search of his ultimate dream - to be truly free, to be able to be and do whatever he desires. Told in a frank, down-to-earth style, it makes the complex issues easy to understand, capturing the reader. As one reader said, Once I started reading I could not put it down - the predicted events at the time of writing to events presently unfolding in the financial markets are uncannily accurate, and for the first time I can understand what is actually happening, how it effects all of us, and what we can do about it on a personal level - Riveting and life-changing.
