Scholastic on Brilliance Audio, 2017. CD-Audio. Condition: New. Unabridged. Language: English . Brand New. A novel of love and monsters. Sisters Esme, Katy, and Ronnie are smart, talented, and gorgeous, and better yet. all three are witches. They have high school wired until the arrival of two new students. The first is Norman, who is almost eight feet tall and appears to be constructed of bolts and mismatched body parts. Despite his intimidating looks, Esme finds herself strangely--almost romantically--drawn to both his oversized brain and oversized heart. The second new arrival is Zack, an impossibly handsome late transfer from the UK who has the girls at school instantly mesmerized. Soon even sensible Esme has forgotten Norman, and all three sisters are in a flat-out hex war to win Zack. But while the magic is flying, only Norman seems to notice that students who wander off alone with Zack end up with crushed bones and memory loss. Or worse, missing entirely. Hearts Other Body Parts is a wickedly addictive novel about love, monsters, and loyalty. And oh yeah, a Japanese corpse-eating demon cat.
