

Shigeru Mizuki s Hitler (Paperback)

By Shigeru Mizuki

Drawn and Quarterly, Canada, 2015. Paperback. Condition: New. Language: English . Brand New Book. Seventy years after his death, Adolf Hitler remains a mystery. Historians, military tacticians, and psychologists have tried in vain to unravel his complex motivations for leading Germany into the Holocaust and World War II. With Shigeru Mizuki s Hitler, the manga-ka (Kitaro, NonNonba, Showa: A History of Japan) delves deep into the history books to create an absorbing and eloquent portrait of Hitler s life. Beginning with Hitler s time in Austria as a starving art student and ending with a Germany in ruins, Shigeru Mizuki s Hitler retraces the path Hitler took in life, coolly examining his charismatic appeal and his calculated political maneuvering. The Munich Beer Putsch, Hitler s ascent to chancellor, the sudden death of his half-niece Geli, the Battle of Stalingrad, his relationship with Eva Braun, and his eventual demise: all are given equal attention in this thorough and compelling biography. In Mizuki s signature style, which populates incredibly realistic backgrounds with cartoony characters, Japan s most famous living cartoonist has created an overview of Hitler s life that is as fascinating as it is informative.
