In Germany English is already taught in elementary school to give the pupils a basic knowledge concerning the English language. The whole society is involved into a constant change of working and living habits. Changes occur in industry, school and prerequisites to find a job as well as in family life and personal relationships. This development has got influences on every part of human life and so as well on the sector of education. As a result of this, teachers at school have to adjust their teaching methods to the changing conditions of the environment. As a society needs an atmosphere which favours change, it is necessary to be willing to change oneself. Not to change would result in keeping the faults which have...
