

Changing Perspectives on International Education

By P. O'Meara, Howard Mehlinger, Roxana Ma Newman

Indiana University Press. Hardback. Book Condition: new. BRAND NEW, Changing Perspectives on International Education, P. O'Meara, Howard Mehlinger, Roxana Ma Newman, More than forty years ago, recognising that higher education would have to take responsibility for educating Americans about other world cultures and societies, the U.S. government passed the National Defense Education Act (later known as the Higher Education Act). Title VI of this act has provided extensive support for foreign languages and area studies development in the nation's universities and colleges. As a result, millions of Americans have been able to acquire knowledge about other parts of the world. Today, there are new issues, demands, and perspectives. Americans are more likely than ever before to encounter different cultures, business practices, histories, ideologies, and ways of living. In addition, the United States is increasingly called upon to intervene or mediate in regional and local crises far beyond its borders. U.S. educational institutions must continue to help citizens to have informed opinions about complex international problems. This anthology is designed to be used by a range of administrators and planners in U.S. education. It covers the field of international studies as it has developed in the United States, from its beginnings and...
