Reviews

A brand new e book with an all new standpoint. it was actually writtern very properly and beneficial. I am just very easily will get a satisfaction of studying a composed publication.
(Esperanza Pollich)

DEEPER THAN THE DEAD

Random House USA Inc, United States, 2010. CD-Audio. Condition: New. Abridged edition. Language: English . Brand New. When three children stumble on a shallow grave in 1984, an idyllic California community is rocked to its core. The victim is a young woman, her eyes and lips sealed closed, a blind and silent witness to an unspeakable crime. The third victim in two years time, it s clear that a serial killer has come calling. As a member of the FBI s fledgling criminal profiling unit, Special Agent Tony Mendez knows serial killers. It quickly becomes apparent that the See-No-Evil killer is no ordinary psychopath. The profile paints a portrait of a man easily trusted, well respected, and intelligent--a man no one would suspect. Dr. Peter Crane fits the bill. A pillar of the community, he volunteers at a center for disadvantaged women--a center the victims had all attended. Crane is also a beloved husband and father to a ten-year-old son, Tommy, who was one of the three children to discover the grave. Needing insight into Peter Crane s world, Mendez asks Anne Navarre, Tommy s fifth-grade teacher, to find out what she can. It s a request Anne finds both intriguing and unethical--much like Mendez himself. Then a new victim leads to a different suspect--a man whose son was another of the three children to find the grave but a man whose position in the community is also above reproach, a sheriff s deputy. As the connections between the two families become increasingly tangled, it seems clear that one of these children holds the key to a serial killer s double life . . . and a revelation of evil so dark, so deep, no one may survive.
