Brand New Book ***** Print on Demand *****.Sensates have existed on earth for over two thousand years. They maintain a safe haven in the mountains of Pennsylvania where they hone their abilities away from the prying eyes of those who would use them to their advantage. Ryeth is the story of a young Sensate s journey through a life of rage and revenge that lasts for nearly five hundred years. Condemned as a murderer for the deaths of his parents, Ryeth must flee and face the world alone. When his extrasensory powers begin to emerge and he is shunned as not worthy by the group of Sensates, he is thrown into a realm of disbelief and awe, only to be found out and tied to a stake as a demon. Travel with Ryeth, the second book in the Sensate Nine Moon Saga, as he lives through the pain of loss, learns to use his special gifts, and tastes the nectar of first love.
